JABBERING FROM JACK

by Jack Lowry

President

Alice Branger is doing much better and is able to return to work after rehab for her surgery. We also need to remember Gene Jameson, Terry Caldwell, Lee's wife, and Connie Shaw. All of these and perhaps more, have health issues at present and truly need or support and prayers.

The heavy weather had caused a postponement of our Crime Scene Search in East Texas for the bullets fired during the murder of the two Highway Patrol Officers.

Once I was contacted by Harold Greer, I spoke with the Texas Rangers, then Jack Ellet. In the approximately 2 hours we had 16 metal detectorists on line to provide the search for the Rangers. Our search is scheduled for Tuesday, July 31st.

As I write this I am preparing to go early in the morning. Perhaps before this goes to press I can get an update to Mike for publication. If not, the club will get a report at the meeting.

Speaking of weather, I have a well used set of water wings and a small canoe that might be borrowed. Our Texas weather has moderated to just plain HOT and humid. The rain hasn't gone away but it has abated and as I said last month, I know I will regret it later, but---rain, rain go away-----

Please see Alice Branger at the meeting for you new membership cards and for GTES Cards you can share and pass on to friends and hunting partners. Invite them to the club meeting.

Our joint meeting with Lone Star in Irving on July 6th was great. They made us feel at home and the food was very tasty. There are a lot of photos to view on our website.

Hopefully you are thinking seriously of serving your club as an officer for the next year. I have asked Mary Penson to chair the nomination committee and the remaining members will be named at the August meeting. The club needs you support, so please agree to lend your expertise when called upon.

Volunteers to serve on the committee will be accepted; the balance of five (5) members will be appointed.

Just for information, all existing officers EXCEPT that of the President are eligible to run again for their same or another office. I am bound by term limits and cannot seek re-election, nor do I desire to do so. I will be perfectly content to serve a term as ex-officio on the Executive Board.

It has been an honor and privilege to work with and serve this most wonderful club. I look forward to remain active in the club but to do so from some place other than the head table.

Please be considerate of our fellow club members. It is often quite easy to start and contribute to a side conversation. Please hold your comments to yourself, until break or after the meeting. It is very distracting, not to mention unkind, to talk while others while others have the floor. We will all appreciate your consideration. If you must talk, please feel free to excuse yourselves from the club meeting.

Our business meetings follow an agenda approved by the Executive Board. For items to be included for the club's consideration, the information and sufficient supporting data must arrive on/or before the Wednesday, 10 days prior to the club meeting date. Items for consideration need to be mailed to: GTES President; PO Box 472531; Garland, TX 75047-2531 or by e-mail (preferred) at: prez@goldentriangleexplorers.com .

Items not meeting these criteria and/or presented at the meeting may not be acted upon until the following meeting.
